Therapy Alliance Group Schedule of Fees

(1st July 2025)

Allied Health Professional (AHP) Time: - Occupational Therapy - Speech Pathology $193.99/hr - Physiotherapy $183.99/hr	Including assessment, therapy and other services. Consultation time varies based on client needs. Report writing, equipment prescription, therapy plan writing, case liaison, program development, AHP communication, AHA and student program oversight are also billed at the same hourly rate. ● Therapy consultations include 0.3hrs of billable non-contact time per consultation for preparation and record keeping. ● Assessment consultations include 0.5hrs of billable non-contact time per consultation for preparation and record keeping.
Student Therapy Session 0.9hrs AHP time per session Subject to availability and AHP recommendation.	Charge for AHP time per session delivered by an allied health student AHP, regardless of duration. No charge is made for the student's time. AHP time is used for documentation, communication, quality checks, supervision and session planning guidance and oversight by an AHP. If the AHP is physically present for the session then standard AHP rates apply.
Allied Health Assistant (AHA) Services $86.79/hr Approx $130.19/session (1hr session + 0.5hr prep and record keeping) Subject to availability and AHP recommendation.	Services by an AHA to implement an AHA program of support developed by an AHP and with training, supervision and guidance by the AHP. Includes face to face time plus client specific preparation and record keeping, resource generation, communication, program training and other non-contact time. AHP time (see above) applies to all time spent by the supervising allied health professional to develop and update AHA Therapy Programs as well as to train the AHA to work with the client as well as oversee, monitor and check the AHA's clinical work. AHP time per program of support is usually 1hr to create the plan, 0.3hr every 3 sessions during the AHA therapy block and 0.5-1hr to review and update the plan. Additional communication time may apply if goals change or need reviewing during a current program. Note: AHA programs must have a minimum of 6 sessions to be cost effective.
AHP or Student Services Cancellation in advance (24+hrs) $0 Late Cancellation/Fail to Cancel (<24hrs notice) Full Booking Cost	No fee if the appointment is cancelled with at least 24 hrs (1 business day) notice. Late cancellation/Fail to Attend fee applies if less than 24hrs or no notice to cancel = the full service booking cost. Travel time is included as part of the full service booking cost for mobile services and any additional travel costs will also apply if incurred.

Allied Health Assistant Program of Support Cancellation in advance (24+hrs) $0 Late Cancellation (<24hrs notice) Full Booking Cost	Allied Health Assistant services are a pre-set program of supports and therefore the following cancellation notice periods apply for AHA sessions only: No fee if the appointment is cancelled with at least 24 hrs (1 business day) notice. Late cancellation/Fail to Attend fee applies if less than 24hrs or no notice to cancel = the full service booking cost.
Travel = 50% of hourly rate + -$0.99/km + incidentals	Travel time at 50% of relevant hourly rate is for the AHP/AHA's time to travel to and from your location and an additional vehicle usage cost of $0.99/km is also charged. Incidentals such as parking/tolls will be added at cost price.
Group Therapy Varies from 0.9+hrs per session	Group services are purchased as a package for all sessions. Subject to AHP recommendation. No refunds for unused services. Group services include preparation and planning, face to face session, individual case note records. Individual billing per client varies from 0.9hrs+ of AHP time per session (depending on session duration) when total time is averaged and shared between all group participants.

OTHER PROFESSIONAL SERVICES - quote available on request

Kindy Uplift or Kindy Inclusion Supports	Capacity building, training, coaching, mentoring and more to support early educators.
Screening assessments	Screening assessment for children administered by either allied health professionals and/or students. Available for kindergartens, early education centres and primary schools.
Contracted clinical services	Clinical services payable by a third party (e.g. hospital, insurer, aged care provider, lawyer etc). Includes services such as assessment, therapy, report writing, AHP communication, case liaison, program/resource development and travel.
Professional Training or Presentations	Customised training or workshop presentations and other interactive learning experiences for groups of parents, carers or professionals.
